

Compliance & Licensing | Cignum Solutions

Cignum Solutions operates in strict compliance with financial regulations in Nigeria, the UK, and globally.

1. IMTO Relationships

We partner with authorized International Money Transfer Operators (IMTOs) for cross-border remittances.

2. MSB Permissions

Through licensed partners, we maintain Money Service Business (MSB) permissions for compliance.

3. Audit & Transparency

We undergo audits, ensure full transaction visibility, and provide compliance reporting as needed.
